

## **COMMUNITY POLICE REVIEW COMMISSION POLICY RECOMMENDATION**

### **Rationale for the Policy Recommendation:**

As a result of an investigation into a citizen's complaint, it was found that RPD does not have a written policy requiring officers to give receipts when they take property from a person. There has been, however an unwritten policy that requires it.

### **Policy Recommendation:**

1. The Commission recommends that the RPD develop a policy that requires officers to give receipts when they take property from anyone. The policy should be broad enough to cover all property seizure circumstances.
